SAFETY DATA SHEETS
iPad App
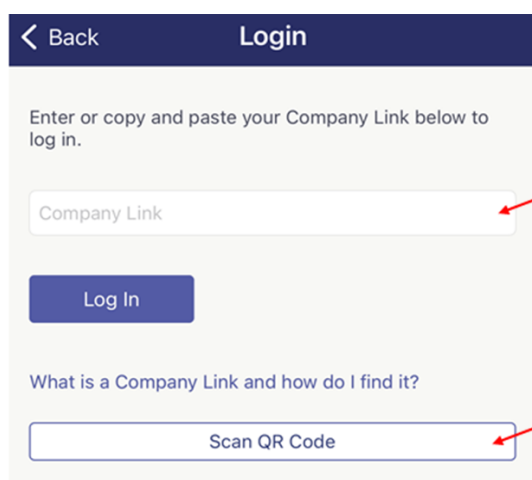

TeamVision
Eye care, together.

Access to the most recent version of product Safety Data Sheets (SDS) can be found online to ensure our teams always have the most up to date content. **In addition to webpage access** there is now the option to access the SDS via mobile app on the site iPad.

Find the Chemical Management App on your store iPad and **Open The App:**

Select the **Don't have a Username or Password** option

Select the preferred access option

Enter company link below: this option will bring you to the SDS pages within the app:

https://chemmanagement.ehs.com/9/881 befc5-4d1f-409e-a273-e2c3c3227cc4

A welcome screen will appear, confirming you have successfully logged in!

Continue to navigate through the app to search products and SDS needed.

Please note that the existing access to the web version of the Safety Data Sheets remains available as well by navigating to the following link: https://chemmanagement.ehs.com
