When to Involve Employee Relations

When Does an Issue Get Escalated to Employee Relations?

When issues arise in the workplace, it may be necessary to escalate the situation to Employee Relations for additional support. The chart below outlines what Field Management handles versus when situations require Employee Relations partnership.

When to Involve Employee Relations			
<u>Issue</u>	<u>Field Management</u> (May involve submitting for Corrective Action via e-Service Portal)	<u>Partner with Employee Relations</u> (You must submit via e-Service Portal for Employee Relations support for the following issues)	<u>Human Resources Business Partner</u>
