

## 1. Medically Necessary Contacts

### a. Davis Vision

- Requires authorization
- Complete form and include **ALL** services (CL fit + contacts) CPT codes – same day of appointment
  - Sites have only been adding either exam or cl fit cpt code and this is causing a delay in approval
    - a. If contacts CPT code is not added they will not be approved and therefore will not be paid
- Fax over to Davis Vision and email [davis@rosineyecare.com](mailto:davis@rosineyecare.com) to make us aware order is medically necessary – same day of appointment
- Once approval / denial is received
  - Scan into eclipse and email me so I can submit claim or appeal
- Ciao
  - Enter order and ensure valid medically necessary diagnosis code is listed
- Do not dispense materials until authorization is received
  - If materials are dispensed and authorization is denied patient will be responsible for the full amount

### b. Superior Vision

- Does not require authorization BUT sites need to verify if patient has medically necessary benefits available through the plan
  - Please call Superior Vision to verify
    - a. Please keep in mind not all plans have medically necessary benefits
- Ensure medically necessary diagnosis code is entered in Ciao
- Email [davis@rosineyecare.com](mailto:davis@rosineyecare.com) to inform us that order is medically necessary – same day of appointment
