SightProtect is a **stand-alone** program and is **separate** of EyeMed Safety, Industrial Eyes Safety, or Safety Frame Kit Plans. You will fulfill these orders with TeamVision (EssilorLuxottica) Safety frames assorted to your location.
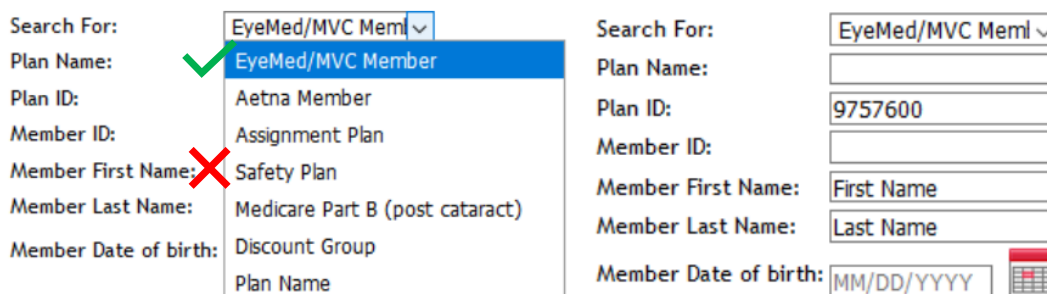

Recognizing the SightProtect Patient

The SightProtect member may not arrive in your store with a specific form to inform you they have SightProtect coverage. It is critical all site Team Members are aware of the SightProtect safety eyewear program to ensure members are not turned away.

Additionally, SightProtect members may also have vision benefits in addition to their safety eyewear program. Be sure to check all their benefits and talk to them about complete vision solutions.
