### Important!

This is only available for genuine brand name RX lenses that must be sent to the frame company's lab or a non-VSP contract lab and frame and lens mounting that can't be fabricated at a VSP contract lab.

Charge your patient 80% of your U&C fee, minus the lens allowance and your scheduled lens dispensing fee. Lens Enhancements normally covered for your patient aren't covered under Proprietary Lens and Frame process.

### Note:

Collect material, and/or lens copays as you normally would.

- Determine your U&C fee for the lens
