## Program Overview

# What Is Champions for Sight®

Champions for Sight® is a platform for eye care professionals to become champions for better vision in their communities. Offering a 360-degree approach, the program contains three components that all work together to fuel the cycle of charitable impact:

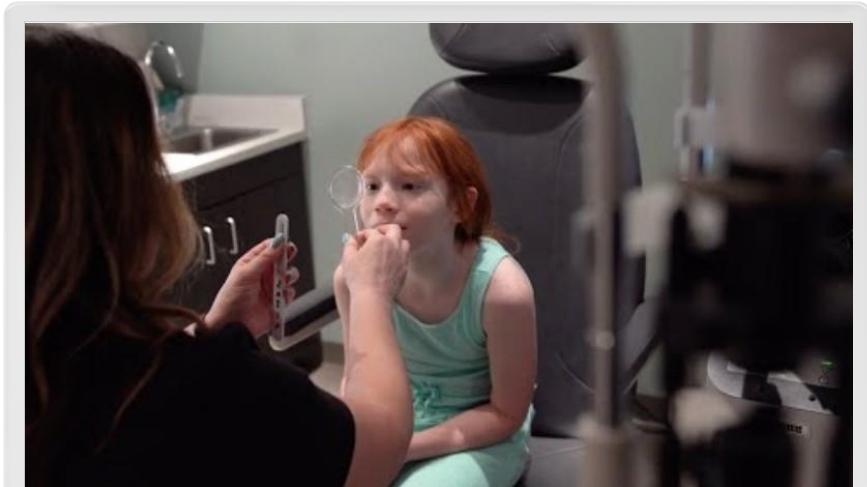

- **Raising Awareness:** Practices will receive turn-key marketing materials that will help them educate patients on the importance of vision care.
- **Programming:** Practices will be able to equip under-resourced patients with glasses at no cost.
- **Fundraising:** Practices can accept donations at their registers to fund this charitable work.

Partaking in this program will offer benefits for practices, including enhanced brand reputation as well as increased patient loyalty and staff engagement.

Uncorrected poor vision affects **1 in 3** people around the world.

# Program Essentials

Here are some things to know about signing up:

**Fundraising + Free Glasses = Champions for Sight®** | Activating donations at checkout helps provide your practice (and many others) with unlimited glasses for people in need.

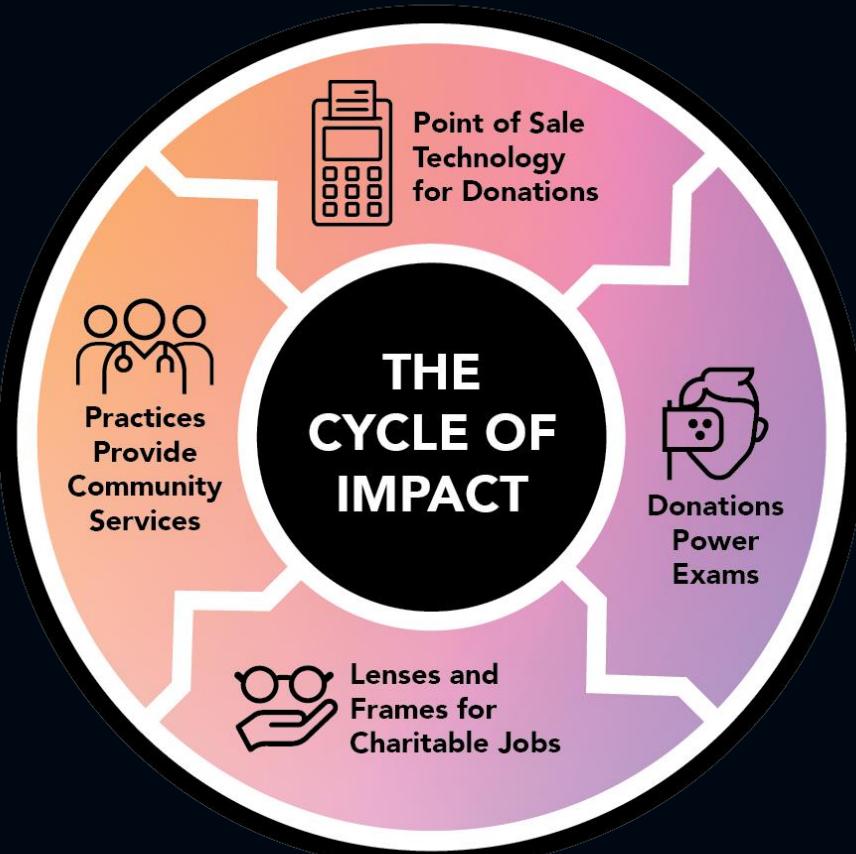

**Tracking** | An NPI or license number is required for the doctor to register for an account to help track your impact.

**Charitable Eye Care** | It is highly recommended that the doctor provide exams at no cost.

**Patient Qualifications** | To qualify, patients need to be at, or below, the poverty level with no insurance for this pair of glasses.

**Goal Setting** | It's important to set fundraising goals for your practice to maximize your charitable efforts.

## What Is the Cycle of Impact

The Cycle of Impact illustrates how the components of Champions For Sight® work together to create a sustainable model of community vision care. It starts with point-of-sale technology that enables customers to donate toward vision services. These donations help fund comprehensive eye exams and vision care for individuals in need. With access to lenses and frames, eye care providers can complete charitable jobs and deliver free glasses to members of their local communities. In doing so, these practices expand their ability to provide meaningful community services and outreach. As awareness of the importance of vision care grows, more patients and customers are inspired to give—fueling continued donations and completing the cycle of impact.

# Why Use Champions for Sight®

Becoming a Champion for Sight means more than just supporting a great cause; it's an investment in your practice.

Participating can make a tangible difference in the lives of others while strengthening your connection to the community.

## Practice and Community Benefits:

- Enhanced Brand Reputation: Demonstrates a commitment to community well-being and social responsibility.
- Increased Patient Loyalty: Builds trust and strengthens doctor-patient relationships.
- Engages Staff: Boosts employee satisfaction and engagement through shared purpose.
- Community Outreach: Expands your practice's reach and visibility within the community.

*"A friend (also an OD) and I have been using your program to provide glasses to the homeless in Philadelphia. We have felt drawn to help this population on a pro bono basis for a long time and now we can provide them with no cost quality vision correction! Many times, those who are materially poor do not have many choices, so it is wonderful to have such a terrific selection of stylish and quality frames to offer them. They were so pleased and excited!"*

# We See a Bright Future

The OneSight EssilorLuxottica Foundation is leading the global effort to eliminate uncorrected poor vision in a generation. We all share the desire to help people see more and be more.

With 2.7 billion people globally affected by uncorrected poor vision, our work is ongoing and growing. Expanding vision care access to the people who need it most is at the heart of our work. We couldn't do it without you!

Joining Champions for Sight® empowers you to transform lives in your community. By increasing awareness about the cause of vision, offering free glasses and leveraging impactful fundraising within your practice, you become a catalyst of hope for those in need of essential vision care.

When you support the OneSight EssilorLuxottica Foundation, you are bringing clear vision and endless opportunities to those in need. Thank you for making a difference.

With much gratitude,
