

# Help Give the Gift of Sight

YOU ARE HELPING CHANGE LIVES

The OneSight EssilorLuxottica Foundation was created to address the global problem of access to vision care. Seeing well improves everything in life. Learn more about how you can support the cause of vision below.

**2.7  
BILLION**

**Right now, uncorrected poor vision impacts 2.7 billion people around the world, but it doesn't have to be this way.**

**80%**

**Existing solutions have the potential to solve 80% of all vision problems.** This is not possible without the help of eye doctors and supporters like you!

**Did you know your eye care provider is dedicated to improving the lives of others in your community?** By choosing to receive care at this practice, you're already making a positive impact! Now, you have the potential to do even more.

**A small donation can make a big difference in the lives of those in need.** Discover how you can give the gift of sight by asking your doctor about donation opportunities today!

**100%**

**100% of your donation will provide vision care access to those in need.**

**1 in 3 people are affected by uncorrected poor vision globally.**

**1 in 4 students in the US has an undiagnosed vision issue.**

**To date, the Foundation has equipped 2.5 million people with glasses in North America.**
