Frame choice guidelines for Essilor® Stellest® lenses

EssilorLuxottica offers the **most complete branded frames portfolio** for children, to cover all consumer needs and maximize business potential. It provides children with the **most advanced lens technologies** combined with the **widest choices of frames design**.

For each brand, EssilorLuxottica recommends a selection of frames to meet Essilor® Stellest® guidelines*:

AGE RANGE

Between 6 and 18 years old**

LIGHTNESS

Styles that weigh or are less than 15 g are optimum. However, we have included styles up to 18 g, to have a broader choice

LENS HEIGHT

(B-size) equal or above 28 mm

Essilor® Stellest® guidelines also for Sun frames:

Following the launch of **Essilor® Stellest® Sun**, in this document you will also find a selection of **recommended styles**, for **sunglasses frames** that follow the same optical rules, yet including RX-ability.

RX-ABILITY

Frames must be RX-able

Styles are ranked as follows:

1 Considering the **weight**, from **lighter to heavier**

2 Considering the **Net Order result**:
